## Membership Committee Chair Report Talking Points

10 Jul 2025

We have 11000+ members in the Missouri National Guard

As of the May report we have almost 1800 members

The goal is to increase our overall membership by 10%

How do we do that? We engage with the member throughout the year, not wait till a month before the next Annual Meeting.

Once upon a time we had POC's at each organization. I plan to make contact with or re-establish a POC at each unit. This will enable us to coordinate and plan for membership drives.

le: Family Days & Dining facility set-ups, ...

All it takes is Communication and Education. They don't know what they don't know.

If you have a junior officer or enlisted member that has an engaging personality, I would love their contact information.

Is there still life membership discounts?

What is our policy for complimentary memberships? (I have a real problem giving complimentary membership to Sr Officer and Sr Enlisted. They have been around long enough and are not ignorant to what the Guard Associations does.)

Do we still encourage our Sr Officer's and Sr Enlisted to sponsor their troops?

- Mr Blaylock sends a Welcome letter to new members, the sponsors can be anonymous.

Again, once upon a time Sr Ldrs (O's & E's) would fund the expense for a hotel (2 Q beds/4 mbrs) and attendance fee for the Annual Meeting. Do we still do that?

Since I am retired, I want to go to the units during drill's and meet people, hand out flyers, educate and communicate. I do not have military influence over any of our members and my weekends are mine to do with as I please.

Respectfully

Darla Denny
